Television is one of the modern inventions of Science. It presents both sight and sound,so it is different from the radio, which presents sound only. It has become one of the necessities of life. It is a great source of fun. It mixes education and fun because it gives information on many topics more than a newspaper. It gives news, views and interviews. While sitting in one's room, one can watch the events all over the world.

One can hear and see speeches, exciting matches, amusing films and plays. T.V is also a great help for housewives. They can get fun after they get bored while doing their household jobs. They also learn lessons in cooking, knitting and decoration. Children can learn PE lessons and get more information about their school subjects, too. T.V can be a good servant but a bad master. One can use it well, but another one may use it badly.

His friend Ali said, "Everyone is cleaning the park today, would you like to help?" Nasser said, "sure" and asked for a garbage bag.

Nasser started to help his friends cleaning the park. He picked up empty bottles, papers and juice pouches. After an hour, he filled 3 bags. When everyone was finished, one of the teachers **loaded** the bags into a truck, and took **them** away. The park looked clean. They put up signs around the park that read "Please, keep the park clean." To thank everyone, the teachers bought pizza and juice for those who helped cleaning the park. After they ate, they put their garbage into the garbage cans.
